**All pricing are subject to change every April at the beginning of the new fiscal year.*

***Please inquire with staff before submitting your samples, as currently, cryosectioning service is unavailable.*

Self-serve use of cryostat is limited to existing trained users and approved upon review of the request.

Shipping and Handling: Shipping and Handling (S&H) costs will vary based on the destination, priority/ground type of shipment, and handling time to package the samples. A minimum of \$25 is applied to all shipped orders. The clients are requested to submit their FedEx Account number when submitting their order to charge the shipping cost to their account directly. If no information is

provided, the Histology FedEx account will be used by default, and S&H cost will be added to the client's invoice. Please note that all prices are currently under review and subject to change.

Self-serve Bookings

Resource For Self-Serve Booking	Academic Pricing (BCCHR members)	Academic Pricing (non-BCCHR members)	Industry
